1. GENERAL CONDITIONS

- 1.1. In order to honour eminent personalities known in the field of photography, the International Federation of Photographic Art (FIAP) has created the following distinctions:
- *for photographic artists known for their artistic work:*

Artist FIAP	AFIAP

Excellence FIAP Bronze	EFIAP/b
Excellence FIAP Silver	EFIAP/s
Excellence FIAP Gold	EFIAP/g
Excellence FIAP Platinum	EFIAP/p
Excellence FIAP Diamond 1	EFIAP/d1

- *for those who, by their work or their achievements, have contributed to the progress of FIAP or of photography in general:*

- 1.2. Only national federations affiliated with FIAP and having paid their annual membership fee can propose their members as candidates for any of the distinctions; they are responsible for the control of all documents transmitted to FIAP. An official of the national federation must sign all applications. All applications should be made on forms prescribed by FIAP. The forms should be completed in one of the official FIAP languages.
- 1.3. In countries, which have no national federation affiliated with FIAP, individual authors can introduce their candidacy through another national federation or through an Individual Member (IRFIAP or ILFIAP).

- 1.4. No discrimination is made between the candidates, amateur or professional photographers alike. No age limit is imposed. No difference is made between prints and projected images.
- 1.5. The final decision whether or not a FIAP distinction is awarded stays with FIAP. Applications for distinctions are examined by a commission consisting of members of the FIAP Board of Directors or of eminent personalities designated by the FIAP Board of Directors. Decisions are taken by simple majority and are not subject to appeal. In the case of the HonEFIAP distinction, the decision must be taken unanimously. In order to ensure the complete independence of the commission, the names of its members are not published.
- 1.6. Awarding a FIAP distinction is considered in all countries as a favour and not as a right.
- 1.7. All FIAP distinctions are awarded for life. Holders of a distinction are allowed to append after their names the initials corresponding to the distinction(s) they hold. However in the event where a holder of FIAP distinction(s) commits a serious offence against FIAP or against a national federation affiliated with FIAP, the distinction(s) can be withdrawn by the FIAP Board of Directors. No appeal is allowed.
- 1.8. For either of the two different categories of distinctions (for "photographic artistry" and for "services rendered"), the persons to whom these distinctions are awarded will only mention the highest distinction. However "EFIAP Levels" and MFIAP may be used concurrently.
