34th BLACK & WHITE BIENNIAL

It is with pleasure that I invite you, on behalf of the Photographic Society of South Africa (PSSA), to participate in the 34th Black and White FIAP Biennial.

2018 is an auspicious year for both PSSA and FIAP in that it is the first time that this Biennial will be held in South Africa and the first time that the FIAP Congress will be held on the African continent. We are indeed excited to be hosting events of this importance and we are looking forward to welcoming you to our beautiful country.

This is a wonderful opportunity to showcase the very best photographs from your country and we anticipate a very high standard of prints to be exhibited. The Biennial is a unique competition in that it requires a collection of work that is presented as a whole and judged globally for its coherence as well as in the inspiration and the conception, it is truly an opportunity to share the outstanding work from your federation.
